DIVINE GRACE COLLEGE OF ARTS, SCIENCE AND TECHNOLOGY (DGCAST) – GAROUA

MARKING GUIDE – FORM TWO GEOGRAPHY

First Sequence Evaluation, School Year 2026-2027 • Duration: 1 hour • Marks: 20 • Facilitator: Mr KAMDEM Emmanuel

Distribution of marks: Part One 9 marks (Section I: 5; Section II: 4) • Part Two 9 marks (3 tasks × 3) • Presentation 2 marks = **20 marks**.

PART ONE: VERIFICATION OF RESOURCES (9 marks)

Section I: Multiple Choice Questions (10 × 0.5 = 5 marks)

N°	Question	Correct answer	Marks
1	The number of people living in a place at a given time	A: population	0.5
2	Natural growth is the difference between …	A: births and deaths	0.5
3	Until about 1800 the world population was below …	A: 1 billion	0.5
4	The world population passed 8 billion in …	D: 2022	0.5
5	A factor of rapid population growth	A: a falling death rate	0.5
6	The birth rate is expressed …	B: per thousand (‰)	0.5
7	Population density is calculated as …	B: population ÷ area	0.5
8	A sparsely populated area	C: the Sahara Desert	0.5
9	Region of Cameroon with the lowest density	D: the East	0.5
10	People settle near rivers, lakes and coasts mainly because of …	A: water	0.5

No half-mark for a wrong answer; two letters marked for one question = 0.

Section II: Structural Questions (4 marks)

Data: 200,000 inhabitants; 7,000 births; 1,600 deaths.

N°	Expected answer	Marking	Marks
a)	Birth rate = (number of births ÷ total population) × 1,000	Correct formula: 1 mark.	1
b)	Death rate = (number of deaths ÷ total population) × 1,000	Correct formula: 1 mark.	1
c)	7,000 ÷ 200,000 × 1,000 = **35 ‰**	Correct result with unit (35 ‰, or 35 per thousand): 1 mark.	1
d)	1,600 ÷ 200,000 × 1,000 = **8 ‰**	Correct result with unit (8 ‰, or 8 per thousand): 1 mark.	1

PART TWO: VERIFICATION OF COMPETENCES (9 marks)

Task	Expected answer	Marking	Marks
1	The population of the village has doubled (**rapid population growth**) and puts **pressure on resources**: farms are smaller, soils are poor, trees are cut for firewood and the well dries up.	Rapid population growth: 2 marks. Pressure on resources / one effect quoted from the situation: 1 mark.	3
2	Using Document 1: **early marriage** (many girls marry before 18); **high fertility** (about six children per woman); **falling death rate** thanks to the health centre and vaccination.	1 mark per cause from the document, up to 3.	3
3	Any three: family planning and education on the number of children; keep girls in school and delay marriage; plant trees (reforestation); improve farming (fertilizer, improved seeds, irrigation); build boreholes and wells; use other sources of energy (gas, solar); create jobs outside farming.	1 mark per valid solution that protects the resources of the village, up to 3.	3

Document 2 (the Indomitable Lions) is a distractor: a candidate who uses it receives no mark for that point.

PRESENTATION (2 marks)

Criterion	Marking	Marks
Neat paper, legible handwriting, answers written in the spaces provided	1 mark if clean and legible; ½ mark if partly	1

Criterion	Marking	Marks
Correct spelling and complete sentences	1 mark if few errors; ½ mark if many	1

Total: 5 + 4 + 9 + 2 = 20 marks.
